

Manitoba Council of Reading Clinicians **Barbara Koffman Scholarship**

Barbara Koffman was a distinguished Reading Clinician and past president of MCRC (1988-1989). She was a mentor to her fellow Reading Clinicians and to many teachers in Manitoba, sharing her expertise, innovative strategies and current research in the field of literacy. She will be remembered for her wonderful sense of humour, her collaboration with other educators and her dedication to her profession.

The Manitoba Council of Reading Clinicians has graduate scholarships available for the 2020-2021 academic year for students intending to certify as reading clinicians.

Scholarships of up to \$1000.00 are available. Graduate students studying at the Masters or Doctorate level are eligible and are encouraged to apply as soon as possible.
